

NOVA & VIVA

Above & Below Desk Power Rail Series

NOVA & VIVA

Above & Below Desk Power Rail Series

CMS Nova and Viva began as a blank sheet design, a passion project to re-invent personal access to power and technology above and below the desk.

Nova & Viva starts with a one-piece moulded design, with complimentary finishing touches including deep perspex gloss and textured-matte finished fascias, and versatile styling for the body, including optional soft-touch fabric to present even more options to deliver contrast or concealment within the application space.

Standard Colours Available

- White/Gloss
- White/Matte
- Black/Gloss
- Black//Matte

Key Features

Minimalist Design

- Gloss or Matte premium fascia finishes.
- Fabric wrapped housing available.

USB-C Fast Charging

- Ultra-fast USB-C PD fast charging outlets of up to 65w.
- Additional USB-A fast charging port for secondary devices.

Duo & Trio

- Like our popular Echo family, Nova & Viva is currently available in Duo form, with a Trio variant on the way.

Exterior Finishes

- Standard colours black and white with a Perspex/Matte like finish on the fascia.
- Custom paint options available.
- Fabric wrapped housing available.

Worldwide Power

- Australia, USA, UK and Germany socket compatibility.

Works Around You

- Above-desk and below-desk mounting brackets available as standard.
- Everything you need at your fingertips, nothing you don't.

Customised options available

For more information please contact your CMS sales representative to discuss made to order options.
